- Mathology Pilot - Pearson resource - for primary now, but will eventually go up to grade 8 - École Central, Anne Roberts Young and others joining in
- Thinking Classrooms Visitations

Virtual Science Fair 2021

The Science Fair had lower participation this year, but managed to overcome some hurdles to pull it off. The Awards Ceremony video can be viewed [here](#).

Key Learning Centre would like to congratulate all students who participated in this year's Regional Science Fair. The projects were very well done!

A very big congratulations goes out to our very own students:
Maryam Khanum and Kori Meyer

Maryam Khanum - for her project titled 'Enzyme Catalyzed Reactions'

- \$100 Chemistry award
- \$100 Science Teachers award
- \$200 - trophy - 1st place for Top Junior award
- Gold medal - 9/7
- Chosen to represent Fort St. John at the Canada Wide Science Fair (virtually from Ottawa May 17 - 21)
- Winner of the T-shirt design for this year's fair

Kori Meyer - for her project titled 'Bacteria are Everywhere'

- \$100 Vibrant Communities award
- Silver medal - 9/5

Engineering Activity Boxes

We have developed five different Engineering Activity Boxes that include everything needed to complete three different activities related to each theme.

Included:

- 28 page activity booklet to take you through each activity step by step. It also includes mentor profiles, puzzles and coloring pages.
- Customized badge enclosure to fit the sticker page to work through the booklet.
- Box includes all materials required to complete each activity.

Discover E

DiscoverE was founded in 1993 with a goal to increase diversity and inclusion in engineering and science fields. Today our goal remains the same, with a focus on engineering. Each year our audience grows and we are able to bring our programs to new locations within Alberta, British Columbia, Saskatchewan and the Northwest Territories. In the last 27 years we have been able to reach over 300,000 young Canadians with our programs.

School District 60 has received a grant from Discover E for 300 activity boxes. The district will be purchasing additional Engineering Boxes to help support the ADST programs in our Elementary and Middle Schools.

<p>SAFETY TRAINING</p> <p>SD60's safety courses will be held at Hudson Hope and North Peace Secondary School as part of our safety training program to ensure the well-being of our students.</p>	<p>COLLEGE VISITS</p> <p>Northwest College has been conducting virtual group visits at students can walk the halls and experience themselves as students and help support transitions to post-secondary.</p>	<p>SWIS</p> <p>SD60 programs in working with the Fort St John Public Library and the Early Learning Department are having our own celebration on programs and resources available in the region during COVID.</p>

Operations / HR

EdCan Partnership for staff well-being

SD60 employees now have access to [EdCan](https://www.edcan.ca/). EdCan is a Canadian-based organization committed to educator well-being and making researched best practices accessible to educators and school leaders. A few of the website areas include their online magazine, their wellness section and their research library. This is all available to employees when they create an account using their PRN email address.

“Kids These Days” by Jody Carrington —

Based on this book relating to reconnecting with students, a staff book club and online video sessions are available. Please see the [link to this poster](#).

Taking Expressions of Interest
Sign up here: www.diodycarrington.com/expressions-of-interest
or search google docs: Kids these days - expressions of interest

Cost: \$0
Commitment:

- To meet once a week for 6 weeks (start end of Apr - see sign up for specifics)
- Read book/view course materials prior to meeting.
- Bring learning back to your school community

BOOK CLUB/COURSE
KIDS THESE DAYS, A GAME PLAN FOR RECONNECTING WITH THOSE WE TEACH, LEAD AND LOVE. BY DR. JODY CARRINGTON

SD40 is looking for expressions of interest for participation in an online book club/course. Dr. Jody Carrington's book and corresponding online video sessions are an inspirational look at how schools and education are such a vital connection point to support the kids that we teach and support.

For more information about the book, check out: <http://www.diodycarrington.com/kids-these-days-2/>

Truth & Reconciliation

April 23 - District Non-Instructional Day (Indigenous Learning)

Dr. Niigann Sinclair - Indigenous Professional Development: Training on Truth & Reconciliation in the Classroom

April 23, 2021

Dr. Niigann Sinclair

Training on Truth and Reconciliation in the Classroom

Dr. Niigann Sinclair is an award-winning author, activist, writer, and commentator in addition to leading discussions on Truth and Reconciliation across Canada. Since 2012 Niigann Sinclair has been a member of the Department of Native Studies at the University of Manitoba where he is currently an Associate Professor. Dr. Sinclair regularly contributes to discussions surrounding Indigenous issues on CBC, CTV, and APTN.

FEES

- iPads
- AirPods
- Books
- Educational & Cultural Supplies, etc.

Must be on the to request!

Two Sessions: 8:45 am - 11:45 am and 12:15 pm - 3:15 pm
Limited Numbers per Session: Zoom Link will be Provided via Administration

Recommendations from 2019 Indipire Conference SD60 Teaching Attendees

Niigann's presentation on Truth and Reconciliation is transformational and a must for all educators. "Combating the Disillusion" creates and supports deep and meaningful conversations for students and teachers alike.

Sarah Eisenmajer

Niigann Sinclair extends his teachings in a way that allows for educators to gain experience from his own personal experiences, provides a space for constructive collaboration amongst colleagues, as well as giving concrete strategies on how to incorporate Truth and Reconciliation into the classroom.

Melissa Gans

Niigann Sinclair's passion to address the Calls to Action of the Truth and Reconciliation Commission inspires those around him to become participants in the reconciliation process, and help to make a better future for all Canadians.

Christine Tuckett

This workshop will be held in accordance with the current Provincial Health & Safety Guidelines

Backgrounder #10: Band Council

“Take 3”

BERT AMBROSE ELEMENTARY SCHOOL

Bert Ambrose held their annual Student Conference on March 12th, which was adapted to meet the Covid restrictions that are currently in place. It usually starts with an inspirational guest speaker in the gym, but this year they were treated to a delightful set of skits put together by the Leadership Students in Mrs. Barr’s classroom. They did a wonderful job and thought they would share their ‘kick off’ to the day.

ANNUAL STUDENT CONFERENCE SKITS

ÉCOLE CENTRAL ELEMENTARY SCHOOL OF THE ARTS

ABOVE — M. Helliwell and Mme Annie’s classes went on a field trip to Kosick Holdings Gravel Pit to collect rocks for an ADST activity. They will be painting kindness rocks as part of our school values. The rocks will then be given to someone. Huge thank you to Tyler Kosick and Mike for allowing our students to spend some time in the gravel pit.

BELOW — Mme Stéphanie and Mme Nouha’s classes are learning about diversity through an ADST activity involving felting. The completed project is a key chain.

HUDSON'S HOPE SCHOOL

[The Nest News - March 2021](#)— Hudson's Hope School Newsletter

UPPER HALFWAY ELEMENTARY SCHOOL

"I just wanted to celebrate Tylin's accomplishment of raising money for a shuffleboard table through the hot lunch program that he does with me every two weeks. Half of the cost was matched by Jaclyn (Vice-Principal of Upper Halfway). He is so proud! His contribution to the school will help give the kids something to do when the weather is extreme as the school doesn't have a gym. Our next goal will be another piece of game equipment to add to the choice of lunch time activities. Just wanted to share this success."

... Sally Birley, Deaf & Hard of Hearing Support Teacher
