School District No. 60 is excited to welcome back BC author and educator Adrienne Gear to share ideas from her most recent book "Powerful Writing Structures". Her book outlines an effective, year-long plan for teaching different writing structures including Personal Narrative, Nonfiction, and Story Writing. In this engaging workshop, Adrienne will outline an effective, year-long writing program and explore the many "how to's" of teaching writing including how to use class writing goals to guide writers, how to use assessment to guide practice, how to implement an effective writing routine, and how to get students writing with more confidence and competence. Come to this workshop and leave with some ready-to-use ideas to transform your writing program from "I know...Do we HAVE to write?" to "Yah! We GET to write!!!" Adrienne will be in the district for TWO sessions. First session will be on September 9th and the second on February 2, 2024. Participants will receive a copy of the book *A Powerful Year of Writing*.

Adrienne Gear has been an elementary teacher in the Vancouver School District for over 25 years. She is passionate about literacy, learning and inspiring teachers to reflect and refine their practice in order to best support their students. Her practical and engaging workshops are in high demand, and she presents at schools and conferences across Canada and internationally in the United States, United Kingdom, Australia, and Sweden. She is the author of 8 professional books (published by Pembroke/Stenhouse) for teachers in the area of literacy which have been translated into French, Danish, Swedish and Chinese. She currently lives in Kelowna with her family.

Parent Sessions on Substance Abuse

The Ministry of Education and Child Care, in partnership with adolescent Clinical Psychologist, Dr. Hayley Watson, will be hosting free virtual sessions on youth substance use for parents/guardians, caregivers and caring adults. Dr. Watson will provide valuable insights, practical tips, and resources to equip participants with the tools needed to guide their children and youth toward making positive choices when it comes to substance use.

Key Takeaways for Participants:

- Learn why children/teenagers are drawn to substances.
- Understand what causes and maintains substance use disorder and needs.
- Increase your child's ability to make positive choices about substances.
- Acquire practical conversation tools for discussing substances in the home.

Participants must register in advance due to limited capacity. Session dates are:

- February 20, 6:00 - 7:30 pm PST - [Click here to Register](#)
- February 22, 6:00 - 7:30 pm PST - [Click here to Register](#)
- February 28, 6:00 - 7:30 pm PST - [Click here to Register](#)

Parent Information/Training Session: Safe and Caring Use of Technology at Home

and in the Community - Offered through the ERASE provincial support program.

This session is recommended for all parents/guardians/caregivers and youth ages 10 and up.

It takes place on February 28th at 7:30pm MST. You can register [here](#).

Careers & Skill Development

Settlement Workers in Schools (SWIS) Grand Opening!

On December 20th, the SWIS team welcomed the community to their new center within Robert Ogilvie Elementary School. With space for meeting families and providing support, this new hub will better support the arrival and success of our new families. The newsletter below provides further information on their services.

Leadership Academy 2023-24

The cohort of 15 teachers had a recent workshop on Friday, February 2nd and participated

in a collaborative activity called “The Change Game.” The activity challenges a group of leaders to enter into a series of decision-making scenarios with the objective of leading change and school improvement. This was the fifth meeting of the group and the academy will wrap up with its final session on “Difficult Conversations” on March 5th.

Our Early Act Student Leadership students who do activities for the school, did numerous campaigns in November and December to give back to the community. They do this by involving the whole student body. During this time frame, Early Act ran 3 separate campaigns: Gifts for Seniors, PJ Drive and “Be An Angel” campaign. The Early Act campaigns had our students collect 125 pairs of pyjamas, over \$500 for the “Be An Angel” campaign and enough items to put together 45 senior gift bags.

As a culminating event, all students from the school went to sing Christmas carols to 3 senior organizations when they presented the gift bags.

We are very proud of our Early Act students for their dedication to plan events for students to participate in and all of the activities they provide to give back to the community.

Taylor Elementary

The Taylor Tigers are into week 5 of their **Winter Reading Challenge!**

Students track their minutes reading at home on a reading log and submit it weekly.

As of February 13th, students and staff collectively have a total of **73,298 minutes!**

During Family Literacy Week, a morning was dedicated to a school-wide **'Read and Feed'**. The PAC provided a pancake breakfast and students spent the morning reading. We participated in a school-wide Buddy Read that was sponsored by the Fort St. John Literacy Society. Following the school-wide Buddy Read, prizes were provided by the Fort St. John Literacy Society. The Siberian Tigers won a pizza lunch for all 30 of their team members.

Prize winners from the "Great Big Buddy Read":

Student winners - Phoenix Wiebe, Madison Kersey, Addison Raw, Camryn Creamer, Dayna Enes, and Triton Chambers.

Staff winners - Mrs. Austin and Ms. Elliott

Thanks to our school librarian, Mrs. Turner-London, for organizing the 'Read and Feed' event, as well as the reading challenge.

Thanks to Taylor Mills, from the Fort St. John Literacy Society, for the prizes and pizza lunch!
