THE COMMUNITY

5

DEVELOPS PRESENTATION
AND ORAL SKILLS

6

ALLOWS FOR IN
CLASSROOM OR AT HOME
LEARNING

Chance for youth to WIN \$2000!!

What is a “Virtual Money Fair”?

Simply - It's a video of a researched money topic. A Virtual Money Fair involves students, either learning at home or in the classroom, selecting a money topic that is of interest to them, undertaking research to explore and learn about that topic, and then preparing a creative and engaging video presentation that showcases the outcome of their research and what they learned. We will be getting submissions from across the entire country, posting them on the secure CFEE website and then highlighting the winner announced at the National Money Fair.

We will have a team of judges review all the submissions to identify the best. The top presentations will win \$2000 for first prize, \$1000 for second prize and \$500 for third prize. Winners will be announced at our Annual National Money Fair (virtual this year) on April 14, 2021. This contest is limited to students age 9 –14 or grades 4 – 8. A participant can only enter into one CFEE contest within a given year.

A Money Fair should be a fun, interesting, and engaging activity for students at home or at school– at the same time as they learn about money and improve their financial literacy and capability.

THE COST OF A PET

Everyone wants one but what does it really cost to own one?

Advertising

How Advertising Can Affect Our Money Decisions

FRAUDS AND SCAMS

Watch out! How can we avoid being "taken" by online scammers?

Some ideas for a Virtual Money Fair project

Below are just a few money topics that can get the creative juices flowing. Remember submissions must be in video format but that video can be as creative as their imagination.

Videos should be maximum 3 minutes in length and include identifying their chosen topic, discussion of the key things they learned about money, as well as how they are going to apply what they learned to achieve a healthy financial future.

Final Date for Submission: Midnight EST April 1, 2021

Submit to: www.talkwithourkidsaboutmoney.com

Those eligible: Ages 9-14 and/or grades 4-8 (only eligible to submit to one CFEF contest within the year)
