■ Not yet Meeting Expectations ■ Meeting Expectations

- 89% Meeting Expectations
- 98% ME in 2018/19

Community Building: What Can We Do?

- Weekly Virtual Assemblies
- Terry Fox Run
- Costume Parade
- Virtual Christmas Concert
- Christmas Hamper
- Weekly Email Updates
- Fun Days
- Virtual Reading Buddies

Pinwheels for Peace

Our Learning Goals

Literacy Goals

- Continue to support student growth in literacy. We have been working to add extra support in our primary classes
- How do we get the children better prepared for Kindergarten and Grade 1?

School Culture Goals

- Social Responsibility and Positive School Culture continue to be a focus for our school. We want to help students to be the best for the world. (Monday Morning Virtual Assemblies, School Spirit Activities, Community Events supported by P.A.C., Extra-Curricular Activities)

Numeracy Goals

- We need to find a way to enhance students problem solving and basic fact skills. (FESL, Teacher Support, Map, Consultant Support)
- Incomplete from 2019/20. Need to put our resources into practice

Critical Thinking

- We have a Maker Space in our portable and have had classes rotating through to do more project based learning. (STEM, Science Fair, Passion Projects)
- Using Technology to stay connected
